

READY STEADY COCKTAIL

An Interactive Corporate Event from CocktailStars !

Ideal for promoting a fun team working atmosphere, guests are treated to a sensory experience. This event is also a great way to entertain clients. Delicious cocktails and amazing flair are a warm up to the main activities. Interactive cocktail games involve the whole crowd who learn new skills taught by some of the world's leading bartenders, and above all, bond whilst having fun.

Event Programme:

1. Reception Cocktails
2. Mixology & Flair Demonstrations
3. 'Generation Game' style activities
4. Mixology Games

1. Reception Cocktails

Upon arrival guests are served a fresh fruit Cocktail and shown to their seats.

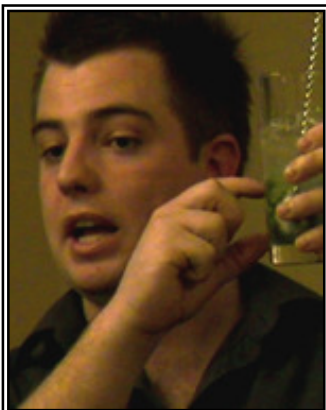

2. Mixology & Flair Demonstrations

Once your guests are seated, one of our world class flair bartenders will amaze them with a quick flair routine to music- to grab their attention, and break the ice.

A mixology demonstration will follow showing some classic and contemporary cocktails.

3. Generation Game

Now the bar becomes interactive. Guests are split into teams and asked to observe carefully. After seeing cocktails methods demonstrated clearly –volunteers from each team will be asked to come behind the bar and make the cocktails. We will judge the efforts and mark each out of ten. There are several rounds, using different methods to create the drinks. Teams will also be able to participate in a flair round.

4. Mixology Games

Remaining in teams guests are presented with the Mystery Box, and asked to pick at random two ingredients from it. The box is filled with a variety of possible cocktail ingredients; from delicious to...*difficult* to mix into a great drink. (It can be done, ask your bartender about the famous Onion Ring Martini).

Using one of the ingredients they pulled from the mystery box, with their newly acquired knowledge of cocktail mixing methods and exotic spirits and liqueurs they will be invited to create their own cocktail. Groups can experiment until they have the perfect creation.

Teams will work together to mix their drinks ...points will be awarded for style, taste, name, originality etc. – CocktailStars bartenders will mingle to add encouragement, as well as record the recipes, and photograph the results! If this is a team building exercise we can ask teams to create a cocktail to sum up the core value of their company's brand.

Prizes will be awarded for the 'best bar team' and an individual prize for 'the best bartender'.
